**OVERLAND PARK, KANSAS, (FEBRUARY 12, 2007)** - Consistent with NPC International, Inc.'s objective to continue growth in the Pizza Hut system, the Company announced today that it had signed an asset purchase agreement with Pizza Hut of Idaho, Inc.; Rocky Mountain Pizza Huts, Inc.; Northwest Restaurant Group, Inc.; and Northern Idaho Pizza Huts, Inc. to acquire 59 Pizza Hut units located primarily in Idaho and the Spokane Valley for \$27.1 Million. According to information provided to NPC, the 51 restaurants, 6 delivery/carryout units and 2 express units generated \$46.7 million in sales during the 52 weeks ended December 2006. Forty of these stores are located throughout Idaho, 4 in eastern Oregon and 15 in Washington, primarily in the Spokane Valley. Forty-Four of these locations will be leased from the sellers on certain agreed upon terms and 15 locations will be leased from unrelated third parties.

The transaction will be funded by approximately \$16 million of available cash reserves and borrowings on the Company's \$75 million revolving credit facility. NPC expects the acquisition to close in Mid-March 2007. Consummation of the transaction is subject to approval by Pizza Hut, Inc. and other customary consents and approvals.

Jim Schwartz, Chairman and CEO of NPC International, Inc. said, "We are truly excited about this acquisition due in large part to the high quality restaurant teams that operate in these markets and the opportunity for future organic growth in the high growth markets of Idaho and the Spokane Valley. In addition, this acquisition, when combined with the 26 stores we currently operate in Portland, Oregon will provide us the critical mass to leverage our above store support infrastructure and a beachhead for additional growth through acquisition in the rapidly growing mountain states."

NPC International, Inc. is the world's largest Pizza Hut franchisee and operates 815 Pizza Hut restaurants and delivery/carryout units in 23 states.
